## Conversion of St. Paul

### From Saul to Paul

While traveling from Jerusalem to Damascus on a mission to "bring them which were there bound unto Jerusalem", the resurrected Jesus appeared to him in a great light. Saul was struck blind, but after three days his sight was restored by Ananias of Damascus, and Paul began to preach that Jesus of Nazareth is the Jewish Messiah and the Son of God.

## "Adoration of the Blessed Eucharist and the New Evangelization"

Bishop Dominique Rey of the Diocese of Frejus-Toulon, France

The core of evangelization is EUCHARISTIC ADORATION. If we are to bring men, women and the youth to faith in Jesus, we must regain the ability to adore Jesus Christ in the Most Holy Eucharist by cultivating a grateful heart, the foundation of all virtues. A grateful heart is a prayerful heart. And, the best expression of gratitude to God for His blessings we received is in our sharing of these blessings in service to others.

- - \* Challenge \* - -

Have we, out of love for Jesus, brought someone back to God – to know and love Him, to serve Him, and to worship and adore Him – through the Adoracion Nocturna Filipina?

## Daily Gospel

*Matt 16:15-18.*

Jesus commissions the eleven apostles to go into the whole world and proclaim the gospel to every creature. On the road to Damascus, Saul becomes Paul completely transformed. He changes his values and judgments, and preaches the Christ – the messenger who has become the message -- to the gentiles. Saul is called and is transformed which is evidenced by a change in name to Paul. Each person's life on earth is a call. Everyone is called, no one excluded, because God wants all to be saved, from an old life of sin to a new life with Him. Life is thus a journey back to God who always makes it easy for us to find Him. Hence, we must do as Jesus did: To serve and to save by leading others – the poor, the oppressed, the suffering and the handicapped (all of us) – back to God.

## Meditation for Adorers

Philippians 4:8 – Brethren, think on whatsoever are true, honest, just, pure and lovely; of good report, any virtue and praise. What do you do with your spare time? Which would you choose to govern your time: Philippians 4:8 or the saying that *An idle mind is the devil's playground?*
